Our History

Gus Girves began The Brown Derby with a promise to offer the best quality steak and seafood, served courteously in a pleasant atmosphere...at the best prices in town. Three generations and 76 years later we're still keeping that promise.

We hand select and age all beef, cut by our Artisanal Butcher and prepare it on a wood fire. We utilize local vendors to add farm fresh ingredients to our dishes as well as hand-craft our cocktails and hand-select all items on our extensive signature wine list.

Since 1941, The Brown Derby has been connecting together the many generations that have walked in the door. Whether stopping by for a bite to eat, hosting a business meeting or celebrating a special milestone in life, The Brown Derby provides an experience to create lasting memories.
